SHINIEST - THE WORLD-CLASS LEADING COMPANY SINCE 1983

ABOUT US

SHINIEST INDUSTRIES, INC.

Shiniest Industries, based in Taiwan, has been manufacturing and exporting of automotive and commercial vehicle accessories since 1983.

We are committed to manufacturing quality products that are well worth the prices while satisfying our clients who can carry the products with pride and confidence. In the past decades, we entered the fast-growing auto/truck accessories market with a strong force, with a mission to serve this market's need for improving vehicles' appearance and value as a trend-setter instead of a trend-follower.

With China's emergence in the manufacturing capacity in recent years, we have effectively expanded our production bases to cover both Taiwan and China so as to strengthen our sourcing and supply capability for better serving our customers. Our strong R&D/QC team with 40+ years of experience and reputation, have enabled us to efficiently help our customers develop unique designs to lead the competition in the market.

Our R&D team with modern engineering expertise and profound knowledge in the industry have made us highly capable of developing best products in order to meet great market demands.

Thank you for choosing Shiniest as your one-stop provider for all of your automobile styling needs. Drawing on our rich experience and professional services, we will continue to bring you more awesome products to help you stand out and outshine your competitors.
